Mount Barker **SDA**
(High physical support)

About **this** Home

Our spacious SDA home offers high-quality care with spacious living and comfort at 77 Amblemead Mount Barker. Care Assure home in Mount Barker is a specially designed property for NDIS participants, looking for fully Accessible home. The best part of this home is that it has all the accessible features like Ceiling hoist, accessible bathrooms, kitchen deck and backyard. Live in one of the beautiful suburbs, where everything is just one step closer to you! Close to beautiful parks, and other essential facilities. At Care Assure, we work with individuals to ensure their needs and demands are met, so they can live a happy life filled with comfort and care.

Important Information:

The home is funded through an NDIS arrangement with Disability Living Incorporated. To qualify for this vacancy, prospective tenants must have an active NDIS plan and meet the necessary eligibility criteria. This ensures they receive the tailored support and services required for their well-being.

By joining this community, tenants enjoy a tailored environment that promotes independence and comfort, with personalized care enhancing their daily lives.
